

WEST PHOTO RENTAL POLICY

The renter is expected to know the operations and limitations of the items they rent. If there is an equipment problem or failure that we are not able to duplicate, all rental charges apply.

Failure to understand the proper operation of equipment will not be accepted as reason for non-payment of rental charges.

In the event of verifiable equipment failure, West Photo liability is limited to the rental charges only.

West Photo reserves the right to refuse rental service without reason.

Hours:

Rental service is available from 8:30 a.m. to 5:30 p.m. Monday through Friday, and Saturday from 9:30 a.m. to 4:00 p.m.

Rates:

Equipment picked up after 3:00 p.m. Monday through Thursday and returned by 12:00 noon on the second day after pick up is billed for one day. Equipment picked up Friday after 2:00 p.m. and returned Monday before 12:00 noon is billed for one day. Our weekly rate (seven consecutive days) is billed at 3.5 times the daily rate. Our monthly rate is billed at 12.25 times the daily rate. No half day rates are available. The minimum rental charge is five dollars.

Reservations:

Reservations will be accepted up to thirty days in advance.

Security Deposit:

Customers who do not have an open account with West Photo will be required to leave a security deposit based on the value of the equipment being rented. If the deposit value of the rental exceeds \$2000, a certificate of insurance/liability will be required. Written purchase orders from established businesses, institutions or government agencies may be accepted as a deposit.

Equipment Condition:

Insurance is the sole responsibility of the renter. West Photo inspects all equipment for damage upon return. Any damage to the equipment will be charged to the renter. West Photo recommends that the renter inspects the equipment condition upon pick up and tests the equipment before going to the job site.
